Do You Think For Yourself?

Or do you open your mouth like a young bird and gulp down whatever food or medicine may be offered you?

It is an intelligent thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true home remedy of known composition sold by druggists for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famous medicine is advised.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of its several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration?

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. E. V. Pierce, Buffalo, N. Y.

NEW EQUIPMENT FOR SOUTHERN RAILWAY.

President Finley, of the Southern Railway, announced yesterday plans for many improvements to the big system he controls, and to the Mobile and Ohio. The road is in the market now for 75 new locomotives, passenger, freight, and switching, including two of the Mallet articulated compound type, which means practically two engines in one. These will weigh, including tender, over 500,000 pounds each. Three thousand and all-steel cars, with a carrying capacity of 100,000 pounds of coal; 500 all-steel coke cars, same capacity; 150 steel-underframe stock cars of 60,000 pounds capacity, and 10 steel-underframe combination passenger and baggage cars complete are to be obtained. Contracts will be let at once. This list does not include the 119 new steel passenger cars recently ordered.

In addition, the company is now building for itself at its Lenoir car works 1,000 steel-underframe ventilated box cars and 200 steel-underframe stock cars, besides 305 steel-underframe box cars for the Georgia Southern and Florida Railway.

When this allotment of rolling stock is completed the Lenoir works will commence on an order for the Southern of 1,000 additional steel box cars of 80,000 pounds capacity. Meantime, the works are steadily turning out 300 car wheels a day.

Orders will be placed in a few days for 45,000 tons of steel rails, of which 35,000 tons are for the Southern and the balance for the Georgia Southern and Florida, the Virginia and Southwestern, the Mobile and Ohio, the Alabama Great Southern, and the Cincinnati, New Orleans, and Texas Pacific. The company will at once erect new freighthouses at Atlanta, new boiler shop and machine shop at Spencer, N. C., and will re-erect the 1,000 feet of dock property owned by it in Mobile.

TO CALL A STATEWIDE STRIKE.

Nothing definite having been accomplished by the several conferences held in Philadelphia by persons interested in trying to bring a settlement of the street carmen's strike, the committee of ten announced that E. E. Greenawald, president of the State Federation of Labor, would call the state-wide strike on Monday next.

The labor leaders announce that they have already received assurances that Pittsburgh, Erie, Scranton and Wilkes-Barre, as well as a number of other points in the state, will join in the movement.

City Councils at their meeting refused to receive resolutions calling for arbitration of the street car troubles which two of the members tried to introduce. The

COURT OF APPEALS.

Only a few more cases remain on the docket of the court. The date of adjournment is as yet uncertain, but it should come on Tuesday at the latest. A session will be held tomorrow, which is unusual, and it is possible if one or two of the remaining cases are submitted on briefs with argument, that by tomorrow afternoon the court will have adjourned to meet in Wytheville in June.

It is expected that some decisions will be handed down before the adjournment. Several important matters are to be decided.

The following is a summary of yesterday's proceedings in the Court of Appeals.

Metropolitan Life Insurance Company vs. Haylett. Submitted.

Woolfolk vs. Graves et al. Argued and submitted.

City of Richmond vs. Schoenberger et al. Partly argued and continued.

KILLS HIS FATHER-IN-LAW.

As a result of a pistol duel fought at St. Charles, near the Tennessee-Virginia state line, yesterday morning, D. W. Sizemore, a prominent citizen, is dead, while his son-in-law, John Stanton, is charged with having murdered him.

The duel grew out of a cock fight. Stanton's bird was getting the better of the fowl of his father-in-law, when the latter got a gun and killed it. Sizemore fired at his son-in-law when the latter retreated his having killed the fowl. Several shots were exchanged, the son-in-law returning the fire.

Sizemore was almost instantly killed, a ball having struck him in the breast. He was a prominent member of the Lee county court. The son-in-law claims self-defense.
